*With over 16 years of rich experience, Sumit Ghoshal specializes in an extensive array of advisory practices, encompassing Information Technology, E-Commerce & Retail, Data Privacy, Corporate Law, and Employment. Sumit possesses profound expertise in guiding clients through a myriad of legal and regulatory complexities related to e-commerce, covering both single and multi-brand retail trading as well as food product retail. His proficiency extends to critical areas such as cybersecurity breaches, including cyber reporting and takedown procedures, advertising regulations, legal metrology, and drafting and negotiation of commercial contracts. Additionally, Sumit has substantial background in advising clients on Information Technology and Data Privacy laws, as well as the implementation of innovative digital healthcare solutions. His advisory services further encompass employment and labour laws, focusing on compensation structuring, the formulation of employment contracts and handbooks, retrenchment processes, and various employee-related workplace issues.*
